Features

Multi-Fire XHD™ Flame Effect
High-contrast flames feature improved brightness and character for a dazzling, lifelike effect.

Realogs®
Molded from meticulously selected and charred hardwood and positioned to maximize the illusion of depth and the appearance of burning firewood.

Customizable Flame
The multi-flame technology allows you to adjust the speed of the flame to create the perfect atmosphere to suit your mood or room.

Capacitive Touch Controls
Settings and temperature display are hidden when not in use.

Log Accents
Select red or blue highlights to customize the flame or enjoy glowing logs and embers without the flames.

Built-in Timer
Automatically turns the unit off after up to 8 hours.

LED Lighting
Flame and lights use brilliant, low-energy LED's that require zero maintenance.

Powerful Heating
owerful fan-forced heater provides on-demand heat for up to 1,000 square feet.

Multi-function Remote
Control the fireplace features from the comfort of your chair.

All-season Flames
Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.

Economical
Economical to operate costing only pennies per hour.*

Low Carbon Footprint
The most sustainable fireplace option; no emissions and 100% efficient.

Cool-touch Glass
Glass remains cool making it safe for children and pets.

Just Plug It In
Simply plug into any standard household outlet for instant ambiance.

** Based on national average residential electricity rate. Rates vary.*
