# **Dimplex**®

### **Outdoor Infrared**

Portable Propane Heater

**DGR** Series

Sleek and powerful, our Outdoor Infrared Heaters can warm any patio space instantly to give you heat on demand. The stylish, black, portable DGR model is the sophisticated upgrade to outdoor spaces. With hidden feet and minimal assembly, add square footage to your living space and move it anywhere you like. A 20 lb. liquid propane tank installs behind and out of sight. Made of durable stainless steel and equipped with a high-performance ceramic burner that can deliver up to 31,500 BTUs per hour.

## **DGR Series**

#### **Features**

#### **Perfect Fit**

Extend your outdoor living and dining season year round-patios, balconies, gazebos, common areas, restaurants

#### **Portable**

Built-in wheels for easy portability and storage

#### **Heat on Demand**

Warm outdoor commercial and residential areas up to 172.2 sq. ft. (16 m<sup>2</sup>) with just one heater

#### **Powerful heating**

Commercial grade 4-tile ceramic burner produces 31,500 BTUs of heat

#### **Innovative Design**

Sleek, stylish heater is compatible with and conceals a standard 20 lb. (9 kg) propane tank, not included

#### **Superior Construction**

Heater head is constructed of 430 stainless steel and coated with a high temperature paint, the DGR offers world-class wind protection up to 9.9 mph (16 km/hr.)

#### **Advanced Safety**

Safety tilt switch ensures safe operation and automatically stops the flow of fuel if tripped; protective grille and reflector contain flames and keep the surrounding surfaces cool

#### **Simple Operation**

Electronic finger pull makes for safe, easy ignition and turn off
