

OUTDOOR / INDOOR RADIANT ELECTRIC HEATER

Impress dinner guests with more than a warm meal. The Dimplex DLW outdoor/indoor radiant heater is perfect for warming both homeowners and patrons alike – ideal for sitting areas and dining spaces. The DLW series can be wall or ceiling-mounted; optional ceiling-mount extension poles can be used to lower the heaters ensuring warmth and comfort. This high-end outdoor/indoor heater allows social gatherings to continue into the night and even into the next season.

BENEFITS

- Effective radiant heat that warms like the sun, heating people and objects with zero glare
- Silent, maintenance free operation
- IP 55 rated, weather-proof construction allows year-round enjoyment
- Hardwire Installation designed for permanent installations on a dedicated circuit
- Simply turn on/off using a wall-switch (not included). For added convenience connect to a time controller (not included)
- Fully assembled, simply mount and hardwire using the easy to access top mounted junction box
- Offers flexibility in design with color options, choose either white or black to suit your style needs

Standard mounting bracket included
