

HYDRONIC ELECTRIC BASEBOARD HEATER

Ideal for bedrooms or nurseries, hydronic baseboards wrap your family in gentle, steady warmth that fills the room. Enjoy greater comfort with a more consistent room temperature and a soft gentler heat with our hydronic design.

BENEFITS

- Smart design helps reduce the effect of indoor allergens
- Universal wiring available at either end
- Lowest surface temperatures available—perfect for homes with kids and pets
- Environmentally-friendly mineral oil retains heat much longer than regular baseboards
- Sleep soundly, thanks to silent operation
- Install easily, with no plumbing or refill required
- Spreads residual heat even after thermostat turns off
- Includes high-temperature safety shutoff feature
- Powder coated for a smooth, durable finish

APPLICATIONS

All Residential Applications | Commercial Offices
| Lobbies
